

2024 LEADERSHIP CANDIDATE

PRESIDENT-ELECT

Bethany Skillen, MPA, BSN, RN

Trinity Health | Manager

Briefly describe your previous experience with volunteer leadership through ANA-Michigan or another organization.

I have been a member of the ANA-Michigan board of directors for two years. During that time, I've participated in the American Nurses Advocacy Institute program and have worked with the RN/Patient Ratio task force, including testifying before the Michigan Legislature House Health Policy Committee.

Please provide a brief statement of your interest, vision, commitment, and projected contributions to this position.

During my time as a director, I have thoroughly enjoyed working with nurses across the state as well as the ANA-Michigan staff. I would love to continue working on legislation, education and empowerment of nurses, and elevating our profession on a statewide basis.
