NEWLY LICENSED DIRECTOR

Jakob Schmid, BSN, RN

NPHC | Hospital Supervisor

Briefly describe your previous experience with volunteer leadership through ANA-Michigan or another organization.

I have limited volunteer service but I seek to serve nurses in the State of Michigan. I am passionate about empowering nurses and wish to be in a position where I can influence the direction of the nursing profession. In my work, I seek opportunities to be involved in as much as possible to develop into a diverse leader.

Please provide a brief statement of your interest, vision, commitment, and projected contributions to this position.

To have the opportunity to serve nurses and learn from experienced directors as I finish my MSN and start my DNP at U of M where I will conduct a research study that can benefit nurses in the state. I am interested in nurse workforce retention and workplace violence as areas to address the current and future nursing shortages. I envision a nursing practice where nurses have improved job satisfaction and remain in the workforce.
