

2024 LEADERSHIP CANDIDATE

NOMINATIONS COMMITTEE

Julia Stocker Schneider, PhD, RN, CNL

University of Detroit Mercy | Associate Professor

Briefly describe your previous experience with volunteer leadership through ANA-Michigan or another organization.

I am just completing a two year term on the ANA-MI Nominations Committee. I served as ANA-MI President-Elect, President and currently serve as the Past President in and ex officio position on the Board of Directors. I am currently serving as the ANA MI Representative to the ANA Membership Assembly. I have just been appointed to the ANA to serve on the Committee on Bylaws after serving a term as 2nd alternate.

Please provide a brief statement of your interest, vision, commitment, and projected contributions to this position.

Having just completed a term chairing the Nominations Committee, I know the work and what we accomplished, so I thought I would be a helpful resource for the committee. I also have connections to ANA-MI members across the state and can help fill the slate.
