

## 2024 LEADERSHIP CANDIDATE

### ANA-MI FOUNDATION DIRECTOR

#### **Myrna Holland, MSN, RN**

Providence Hospital | Retired, Director of Nursing Education and Performance Improvement

**Briefly describe your previous experience with volunteer leadership through ANA-Michigan or another organization.**

I was a founder of RN-AIM, precursor of ANA-MI, and then the Northern Region of ANA-MI board member and president. Served on board and as president of Volunteer Organization of Munson Medical Center and on the board of the Northern Health Plan. I was a member of ANA-MI Foundation originating committee and have served as president since its inception.

**Please provide a brief statement of your interest, vision, commitment, and projected contributions to this position.**

Having been involved since the start of the Foundation has been a privilege with many lessons learned in awarding of grants, writing a strategic plan and the new MOU. I think the Foundation is poised to achieve its mission - "to promote and advance Michigan nurses and our profession". I want to continue the work needed for our fledgling Foundation to soar.
