Implicit is not plainly expressed. Unconscious is not being aware something is bias

17:52:26 From Veronica's iPhone to Everyone:

Also, implicit bias is often intentional but not easily recognizable to all. In other words are said in truth but explained as a joke.

We could learn a lesson from the animals!!

18:26:06 From Marie to Everyone:

Excellent presentation from all of our learned colleagues!!

18:26:16 From Veronica to Everyone:

Awesome info

18:26:22 From Suzanne to Everyone:

Thank you for a great conversation. It has been very thought provoking!

18:27:08 From Kelly to Everyone:

Excellent content. Thank you so much!!!! Sorry, I am listening while driving - but it allowed me to listen deeply without any other distraction.

18:30:19 From Michelle to Everyone:

This was an excellent discussion. Thank you to Maria and the panelist. These conversations need to continue. I love hearing different stories and how it impacts people. It raises my awareness and how we all can make a difference.
