I am interested in serving another term as a Director with ANA-MI because I am proud to be a nurse, and I look forward to and am excited to serve the profession and be a part of ANA-MI's efforts to support nurses. By realizing our strategic plan to advance nursing leadership, engage member experience, bolster advocacy, mobilize students and new nurses, and promote nurse wellness, we will advance the nursing profession in Michigan together. As an experienced clinician, nurse educator, public servant, and community leader, my skill set and experience would serve the organization well.
