Briefly describe your previous experience with volunteer leadership through ANA-Michigan or another organization.

I am the immediate past-president of ANA-MI and current chair of the ANA-MI Nominations Committee. I also was just appointed by the ANA Board as 2nd alternate to the ANA Committee on Bylaws. I have several years of experience serving as ANA Membership Assembly Representative.

Please provide a brief statement of your interest, vision, commitment, and projected contributions to this position.

I am interested in helping ANA-Michigan to have a strong leadership presence at ANA Membership Assembly. We have much to contribute at the national level through leading, networking, and working together with coalitions from other states. I would like to use knowledge and contacts gained through previous experience at the ANA Membership Assembly to help lead ANA into a future where ANA plays a key role in addressing the needs of our profession nationally and in Michigan.
