

2023 ANA-MI LEADERSHIP CANDIDATE

SECRETARY

Carole Stacy, MSN, MA, RN

Maxim Healthcare | School Nurses

Briefly describe your previous experience with volunteer leadership through ANA-Michigan or another organization.

I have served as President-Elect and President of ANA-Michigan and currently serve on the ANA-Michigan Foundation Board. I am now concluding my second term on ANA Leadership Council Executive Committee.

My interest, vision, commitment, and projected contributions to the Secretary position.

As the Secretary for the ANA-Michigan Board of Directors, I see my role as being one of ensuring the Board follows established Board procedures and the organizational bylaws, which are the roadmap for the organization at each meeting or whenever conducting ANA-Michigan business. The Secretary has the responsibility for the agenda and minutes for each meeting. In an organization where we have Board positions changing every two years, the minutes are the organizational history. As Secretary for other organizations, we have often had to revisit minutes from meetings to be sure Board decisions were put into action as envisioned.

My commitment to ANA-Michigan and the national organization ANA should be evident in the number of years I have been a member and have served in Board roles in both the Michigan Chapter and the National organization. If elected Secretary, I will fulfill the role and responsibilities of Secretary to the best of my ability.
