

2023 ANA-MI LEADERSHIP CANDIDATE

SECRETARY

Marie Reinman, MSN, RN, NE-BC (Ret.)

Corewell Health Beaumont Hospital Grosse Pointe
| Nursing Special Projects

Briefly describe your previous experience with volunteer leadership through ANA-Michigan or another organization.

Although I have no experience with ANA-Michigan, I am the current Vice President and Production Advisor for Grosse Pointe Theatre, a non-profit community theatre group. I currently serve on another non-profit board as well and have served in the past on the board of Services for Older Citizens (Now The Helm).

Additional Information:

I have been a nurse for 45 years and have served in a variety of leadership roles over the years. I bring a unique blend of knowledge of the past, but an eye for the future. I am organized, a creative thinker and problem-solver, and proficient with most computer programs. I see the value of nurses as leaders in the future of healthcare and as I am partially retired, feel I now have the time to dedicate to serving the ANA-Michigan.
