

Earn 15 Continuing Nursing Education Credits and Feel Better with Our Online Stress Release Course.

Sign up for the Stress Release Course for Nurses at TerraFirmaApp.com and receive a 30% discount using the coupon code: Nurses30.

Stress is one of the most impactful issues nurses face. It surfaces in many aspects of a nurse's work and personal life.

We have developed a multi-faceted, evidence based Stress Release Course for Nurses. This course will enable you, as a nurse, to fully understand the causes of stress, develop successful, long-term professional and personal resilience while becoming part of a community support system.
